January Calendar.....	Back Page

The Annual Meeting is scheduled for January 27<sup>th</sup> at 6:00 pm in the dining room. Everyone should plan to attend as this meeting will be very informational. The Board of Directors has prided itself of being fully transparent to the membership. At the Annual Meeting we will give a financial breakdown as well as a breakdown for each department.

*Continued on page 2*

All of you should have received your notice of assessment as well as the notice of dues increase. For the most part, the response has been incredibly positive. The increase cost of maintaining our facilities is something the Board of Directors can not ignore. The goal of the dues increase is to provide necessary labor increases to the golf course maintenance budget. We were also able to give our department leaders their first cost of living raises in several years. The assessment monies will be used in part to purchase back non-active outstanding shares of stock. Due to the abundance of outstanding non-active members shares of stock, the active shareholding members are unable to control the future of Mimosa Hills. It is imperative that the active stock holding members are in control of Mimosa Hills Golf Club. The remainder of the monies from the assessment will be used as future boards see fit.

This will be my final President's Report as your Board President. I want to first thank all the members for their overwhelming support throughout my tenure on the Board. I am grateful for the support I have received from my Board of Directors during the last year. I am very proud of what we were able to accomplish. The next few years are very important for the long-term viability of Mimosa Hills. I feel confident the Board of Directors remaining will lead Mimosa Hills in the direction that can preserve our gem of a golf course.

Happy New Year!

Jordan N. Greene  
2018 Board President

## Food & Beverage:

### *Mimosa Hills Dining Room and Bar & Grill Hours*

Sunday 11:00 am – 5:00 pm

Monday **CLOSED**

Tuesday 11:00 am – 5:00 pm

Saturday Night, January 26<sup>th</sup>  
beginning at 6 pm. Various  
Italian food will be served  
\$15.95

Be sure to make your  
reservations.

## House Report:

MIMOSA HILLS  
NEWS

6

Wow! It is hard to believe that the Holiday Season has come and gone for 2018. As the Food & Beverage Staff takes a minute to rest and reflect; I would like to thank them for all the hard work they did during the month of December. Stella and her staff had plenty of Christmas parties that kept them very busy. As we look forward to 2019, the goal remains the same in the Food & Beverage Department at Mimosa Hills. That is good food, awesome service, and great price. If you do not receive these things while using the club for your Food & Beverage needs, I want to hear about it. As always, if you have any ideas that would help this department improve, please let Stella or myself know.

Thank You,

Randy Walker  
House Committee

Hats off to everyone who donated to the Angel Tree, Employee Fund, and the Food Drive. We appreciate you!!

## Preservation Club:

MIMOSA HILLS  
NEWS

9

Thank you to all the donors that have donated money over the past 5 years. Here's a few pictures.  
Take a look at what you have accomplished.

Preservation Club begins in 2015.  
Repairs were made on Hole 9 in  
2015. Pictures not available.

Hydroseeding on Hole 12 –

Done in 2016

Tree removal on Hole 12 – Done in 2016

New trees planted 2017

Bunker sand project – Done in 2017

New sod for Hole 14 – Done Fall of 2018

Upcoming project to fix Hole 3 in 2019. Stay tuned.

Wishing everyone the best for 2019!

2018 was an extremely wet year with 75" of rain. About 14" of snow in December equated to about 2" of rain. The normal for Morganton is just below 50". The 75" surpasses the 72" we had in 2013, the highest recorded at the golf course since 2006. The summer started early (May was 7 degrees over avg. and June was 4 deg. over) and lasted into the fall (Sept. was 8 deg. over avg. and Oct. was 6 deg. over). The rain and warm temperatures are good for the bermudagrass tees, fairways and rough but not good for our bentgrass greens. Extra money was spent on fungicides and roots were compromised even more than an average summer due to increased soil temperatures. We were lucky to avoid the rains occurring in mid-afternoons which are a recipe for more damage to the cool season greens. The lack of normal fall temps before winter set in hurts the bentgrass root's recovery. Let's hope for a mild winter and normal spring to play catch up with the root system.

The warm, moist extended summer was beneficial to the bermudagrass sod planted on holes 11 and 14 with remaining funds from the 2017 Mimosa Hills Preservation Donor's Club efforts. The wet fall and winter have held up the contractor from beginning the tree removal on holes 3 and 7. Some odd 30 trees will be removed and stumps ground on the left side of hole 3 (2 of the 4 poplars left of the approach on hole 7) as soon as it dries out. When the bermudagrass sod is available (early summer) we will then till and grade the soil to prepare for placing of grass. We are in the beginning planning stages for the 2019 effort. Thanks to all that support the MHPDC! The improvements are awesome and truly raise some eyebrows.

Let's hope for a drier year with normal average temperatures!

Dan Winters, Superintendent

## Red Tees:

### Red Tees

December proved to be a challenging month for Ladies Golf. We did enjoy a social at Sina Turner's home. Whenever the weather permits, we are planning to play some winter golf on Tuesday and Thursday. Hopefully, 2019 will be a drier year so more winter and spring golf can be played!!

Happy New Year!

Mimosa Hills
