Merry Christmas and a Happy New Year!

These are well worn phrases but they are meant from me to you in all sincerity. I have been truly blessed this year in serving you as your President. I believe we have the greatest group of men, women, youth and children that anyone could ever be involved with in working, playing and socializing with. I consider it an honor to have served in this capacity this year. The year of 2017 has presented many challenges yet many opportunities. My wish for you is that you will look back on the year and see the same kind of blessings. The Season of Christmas provides us with many reasons for Celebration and opportunities for giving. You might want to Provide Christmas Joy to a Child through the Angel Tree Program.

You might want to participate in the Employee Christmas Fund so that we can give our Mimosa Hills Golf Club Employees a Christmas Gift. You might want to support the Club in the Morganton Christmas Parade to be held December 5. All of these are great ways to be involved and be supportive of our Club. As for me and my Family, I want to see Mimosa Hills Golf Club continue to be the finest place in NC to raise kids, meet with great friends and play Golf. We have a true Treasure in our facilities and my desire and hope is that it continues without fail. Working together we can see that realized.

Ronny Wilson,
Board President

Employee Christmas Fund

Mimosa Hills is very fortunate to have a group of dedicated employees that every day try to help members enjoy the privilege of belonging to our great club. In the difficult times we are experiencing, there have been very few wage increases, yet these people stick with us and do what they can to help Mimosa Hills succeed.

For Several years we have solicited voluntary contributions from the membership to show our gratitude to our employees. We hope you will be willing to participate this year and show your appreciation by providing some Christmas joy to these great people.

Please either send or deliver your contribution to the club office or pro shop. If you include it with your monthly payment, please either remit cash or a separate check made out to cash and mark it designated to the **“Employee Christmas Fund”**. We will distribute these Christmas gifts on Wednesday, December 20th, so, **please have your contribution to us no later than Monday, December 18th.**

Thank you, and have a Merry Christmas
- Mimosa Hills Board of Directors

With the repeated nightly frost, the bermudagrass is quickly losing color. Eventually, the grass will be totally dormant and brown. The cold weather is beneficial to kill any weeds that our pre-emergent program failed to control. Considering the amount of rain we experienced this year the golf course was pretty darn clean. The dry conditions in November allowed us to clean up the leaves efficiently and without too much equipment damage. Overall the wind was relatively kind to the golfers during this leaf season with exception to Saturday Nov. 18th. That was a crazy day and it seemed that most of the leaves came down that day.

December typically brings some colder nights that has the greens and bunkers become frozen. Be careful in the bunkers. It might be best to bounce it onto the greens and take relief from the bunkers. We do protect our greens from traffic when they have frost on them so please check with the pro shop to confirm start times or practice. The freezing and thawing of the greens and foot traffic will have them somewhat bumpy. We periodically mow or roll them to smooth them out based on weather and available labor hours. We hope to find some time to start cutting down the dead and dying trees.

An update on the Mimosa Hills Preservation Club will be given in the January newsletter after our November 30 meeting and follow up discussions. I have to say again how rewarding it is when you step back and look at golf holes 11 and 12, the 'green giant' Arborvitae, the boulders and the fresh white bunker sand. Many thanks to all who participate!

Happy Holidays!
