I know it may not feel like it but fall is upon us. In my opinion, this is when the Golf Course is at its best. You may have noticed how great the bunkers are looking. We would like to thank the Preservation Donors Club and all donors for the ability to complete this project. The bunkers have needed this for quite some time. We would also like to extend a special thank you to Board Member Bill Beuttell and his crew for completing the bunker project. Due to their hard work, we were able to complete the project in one week and at a much lower cost!

October 29, 2017

You should have received your letter from our Treasurer, Jordan Greene detailing the dues increase that will be effective October 1st. The board of directors felt this modest dues increase will help offset some of the increased expenses of operating our wonderful golf course. At the September board meeting the board also approved the 2017-2018 budget. There are some wonderful things planned next year. We are excited for the future of Mimosa Hills. If you have any ideas on how to improve your experience at the club, please let me or one of the board members know.

Ronny Wilson,
Board President

On Friday, Sep 15th, a golf outing and reception was held for members who have donated to the Mimosa Hills Preservation Club. Fifteen members played in the golf outing won by Chip Black, Jeff Taylor and Frank Robards. Thanks to Jimmy and Bernice for helping organize the outing and the food for the reception. Thanks to all who have donated, and to Chuck Ohrt, Gary Julien, Jim Best, Bill Straughan for your efforts to raise funds.

During the last two weeks of September, over 350 tons of sand were placed in the bunkers all over the course, funded by donations to the Preservation Club. Board member and Christmas tree farmer, Bill Beuttell, offered his Christmas tree crew and equipment to haul and place the sand, along with assistance from Dan Winters, Brian Riddick and the grounds staff. The bunkers look great, and play great too.

So far this year, over 40 members have donated more than \$42k for golf course improvements such as the sand project, the #12 upgrade and the Leyland replacement project. It is not too late to donate, there are more projects on the table that we would like to begin soon.
