The year of 2018 promises to be a full and exciting year for many reasons, my hope for each of our Members is that you can enjoy all of the varied activities you will be involved with. Helen and I will start the year off by traveling to the Holy Land for an adventure that we have talked about for a long time. It is in times like this that I grow in appreciation for my native Burke County and the many benefits we enjoy living in this beautiful area. I know we will see some wonderful sights in Israel yet I still am in awe at the vista every time I approach the 15th green at this marvelous place called Mimosa Hills. How lucky we are!

I hope all had a safe and happy holiday and wishing everyone the best for 2018!

Overall from the golf course standpoint, 2017 was a successful year. A relatively normal summer had the bentgrass greens avoid major damage. July was extremely hot but we were spared in June and August. The worst years are when those 3 months have above average temperatures and humidity. It is amazing how the timing of the afternoon thunder showers can make or break us. A late day rain with evening clearing is best versus the mid afternoon shower then a beating sun and most likely the temperature spiking to 90 degrees with very high humidity. A recipe for disaster, made even worse if an afternoon golf tournament is occurring with all the foot traffic.

The rain was plentiful which allowed the bermudagrass to be very healthy. This helps our thin outer areas to fill in with grass coverage, especially where the trees have been removed. Hole #12 is our prime example of a plan coming to fruition, thanks to the donors of the Mimosa Hills Preservation Club.

A firm pat on the back to Bill and Adam Beutell and their staff for the outstanding job done on adding close to 400 tons of sand to the bunkers. Another successful Preservation Club effort. There are some funds available from this years donations to remove some trees on hole #14 and put some sod down (i.e. near the cross fairway bunkers). Stay tuned for plans for 2018.

Looking forward to a successful 2018 and we appreciate everyone's support!

Dan Winters, Superintendent

What a big surprise for the children on our Angel Tree list this year! Lots of gifts for boys and girls of all ages.

Thank you to all who took a child's name and bought presents

The card room located in the men's locker room is now complete. It will be known as **Sam's** going forward. Rick and Bruce Rogers made cash donations to honor their father to pay for the tile, painting, refinishing of the furniture, and reupholstering for the chairs. For their major donation they received naming rights from the Board. Mimosa Hills would like to thank those who made the completion possible: Bruce Rogers, Rick Rogers, Chris Bergelin, Jim Best, Brian Burgess, Dan Dobson, and Jeff Morse.
